To who this may concern

Posh Lab employed Elmari Opperman as a part-time Beauty Therapist June 2013. At present Elmari provides the following services at Posh Lab:

1. Make-up workshops
2. Permanent Make-up
3. Massages
4. Facials
5. Waxes
6. Spray tans
7. Retail sales training
8. Telephone marketing

Elmari is an intelligent and motivated individual. One of her biggest strengths is her high level of awareness to read situations and act appropriately without requiring support from a more senior manager. Technically Elmari is very strong and we have not received any complaints regarding her quality of work as a Beauty Therapist. She has good time management skills and is extremely reliable and committed. I believe Elmari has the skills and capabilities to grow into a senior resource as part of a team of Beauty Therapists. I used Elmari as a consultant for my business and appreciate the positive effect to the business due to our interaction.

If you would like additional information about Elmari, you can telephone me at 0791990569.

Sincerely,  
Sue Watson
