To Whom It May Concern:

Reference: Miss S. Botha

Miss S. Botha has been working at this Aesthetic Practice for the past 14 months in the capacity as a somatologist and assistant to the medical practitioners.

She has a friendly disposition and is well liked by her customers. She comes highly qualified in her field of beauty and has been quick to learn the medical aesthetic side of our business, which should make her far more marketable in the future.

We wish her well as she endeavours to grow in her field of expertise.

Yours truly,

Mrs Charmaine Wahl
Practice Manager
