**To whom it may concern.**

Mrs. Elmarie Opperman has done work for Mimosa Mall since 2007. I had the pleasure to work close with Mrs. Opperman since August 2012 for the Mimosa Mall Absolute Style Bridal and Fashion Fair, the annual Bridal Expo – a task she performed excellently.

The most recent event was the Food Loves Fashion Week hosted by Central Media and Mimosa Mall – the first Food & Fashion Week of its nature in the Free State October 2013. Mrs. Opperman proposed creative and stylish ideas for the daily fashion shows and 40 models a day astonished crowds by her artwork.

Mrs. Opperman shows strong organising skills before and during each event and easily adapted to a chaotic back stage schedule with more models arriving than scheduled for – changes in color schemes came in – and models not being able to commit to the time-schedule.

Mrs. Opperman is very creative and innovative when ideas are discussed and actively involved in the planning process for each fashion shoot / fashion show and her passion clearly execute these.

I can really vouch for her character, easily respected as a leader with strong principals and a pleasing personality.

Kind Regards,
